Private Lesson Contract

Private lessons are an opportunity for a gymnast or gymnasts to focus in on specific skills and get some extra attention. A specific instructor can be requested and we will do our best to accommodate your child depending on that instructor's specific availability. If no specific instructor is requested we will do our best to match your child with an instructor who can best suit your child's specific needs. A 30 minute private lesson is equivalent to about an hour long group class.
